Dermatology

David H. Lloyd, BVetMed, PhD, FRCVS, Dip. ECVD, ILTM

David Lloyd is Professor of Veterinary Dermatology in the Department of Veterinary Clinical Sciences at the Royal Veterinary College (University of London), England. His interests are focussed on the biology of the skin surface, cutaneous infection and immunity, antimicrobial resistance, hygiene and disinfection. He has special interests in staphylococci and yeasts of the genus *Malassezia*. The work covers small

animals, horses and farm animals.

He is a founding member and past-president of the European Society of Veterinary Dermatology, the European College of Veterinary Dermatology and the Veterinary Wound Healing Association. He is also a founding member of the European Board of Veterinary Specialisation and the World Congress of Veterinary Dermatology. He was founding editor and Editor-in Chief of the journal, *Veterinary Dermatology*. He is Treasurer of the World Association for Veterinary Dermatology.

David Lloyd graduated from Royal Veterinary College (University of London) in 1967 and received his PhD from the University of Glasgow, Scotland in 1979. He has authored and co-authored some 200 peer reviewed articles in dermatology and microbiology.

Stomatology

Dr Jerzy Paweł Gawor

Dr Jerzy Paweł Gawor (1966) graduated from Faculty of Veterinary Medicine, Academy of Agriculture in Wrocław Poland in April 1992. In 1993 had settled as the partner the private practice "ARKA" in Krakow which achieved status of Veterinary Clinic. Defended his PhD in 1996, became a specialist in veterinary Surgery in 1997. Fellow of Academy of Veterinary Dentistry since January 2009. Promoting small animal

dentistry is the reason of his regular contributing in post-graduate meetings and congresses. Lecturing in Veterinary Faculty is a part of plan to implant dentistry into polish veterinary medicine education program. Since 1993 has led Pet Smile Campaign in Poland together with Dental Working group of PSAVA. His main field of professional activity is dentistry, head and neck surgery and oncology. Several hundreds of advanced dentistry procedures a year provide well skills and practical knowledge. Published and presented over 100 publications in veterinary dentistry. Activity in public area currently made him being the President of PSAVA as well as President of EVDS and Member of FECVA Board. Passions are the books, volley-ball and old furnitures.

Wife, also veterinarian, three kids, three cats and a dog are the rest of family.
